Overview

Founded in 1977, the Decentralization Program (DEC) was developed by the New York State Council on the Arts (NYSCA) to ensure that its cultural funding reaches every part of the state. Decentralization has since become one of the Council's most effective means of making arts support available to geographically, economically, and ethnically diverse segments of the state's population.

The DEC program in Cayuga, Seneca, Yates, Wayne, and Ontario counties is administered through the Finger Lakes Community Arts Grants (FLCAG) program, based in downtown Auburn, N.Y.

DEC grants have three distinct funding categories: Community Arts, Arts Education, and Individual Artists.

Goals of the FLCAG Program

The Finger Lakes Community Arts Grants (FLCAG) program strives to make quality arts programming available to all communities within the five counties served. Its purpose is to provide funding to nonprofit community arts organizations and individual artists within these counties that are not currently funded directly by NYSCA. It focuses on assisting emerging arts organization and supporting the cultural expressions of local ethnic groups. The FLCAG program is committed to making arts programming accessible to underserved and minority communities.

What is an underserved community?

Underserved communities are comprised of individuals who have limited access to arts programs, services, or resources and may be marginalized due to geography, race, economic status, gender, gender identity, sexual orientation, age, religion, disability, or other factors.

Individual Artist Grants

Individual Artist Grants support creative artists in Cayuga, Seneca, Wayne, Yates, and Ontario counties. The purpose of these grants is to support artists in the creation of new work and to foster and strengthen the connection between artists and their communities.

The primary criteria for funded projects are the quality of submitted work samples and the quality of proposed community engagement. An essential element of this funding is the inclusion of community involvement in the development and creative process of the artists' project. The project must encompass a segment of the community through some form of feedback, response, interaction and/or social practice. Some examples of this type of interaction are interviews with a segment of the community, creation of parallel work by a

community group, or stories and anecdotes collected from a community group that relate to the concept or content of the project. Projects that limit public participation to performances or exhibitions after the work has been executed are not eligible.

Individual Artist grants may support the following types of projects: theater, dance, music, film, video, literary arts, visual arts, folk arts, and multi-disciplinary work. This list is not exhaustive, however. All funded projects in this category must engage the community in some capacity.

FLCAG will offer up to two (2) Individual Artist grants of \$2,500 each in each of the five counties.

Eligibility

- Artist must reside in Cayuga, Seneca, Wayne, Yates, or Ontario county.
- Artist must have been a New York State resident for at least two years prior to the date of application.
- Artist must be at least eighteen years of age.
- Artist must not be a matriculated student.
- Artists that are applying for the Community Arts or Arts Education grant through a sponsoring organization can also apply for this grant, but not for the same project.

Project Requirements

- Collaborative projects are acceptable; however, applications must be submitted in the name of a single artist.
- Project must occur in the same county as the artist's legal residence.
- Artist's new work must be created and completed during the funding cycle. Work that is already completed cannot be funded. Projects must be completed during the funding cycle. (It is understood, however, that some work will take longer than a year to complete.)
- Project must engage with a community, broadly defined, in Cayuga, Seneca, Wayne, Yates, or Ontario County, in the creation of the work in a way that informs the community about the artist and his or her artistic process. Frequently Asked Questions

If I have received funding in the past, may I apply again?

Of course! If you have received funding in the past, you are eligible to apply again. However, prior funding does not guarantee continued support. Each application is reviewed in the context of the current program guidelines, funding priorities, and evaluative criteria. The review panel will also consider compliance with the previous contract and reporting requirements.

When reviewing projects that have received funding in the past, priority will be given to projects that are able to successfully demonstrate growth, artistic expansion, community support, and/or continued community need.

May I apply for funding for more than one project?

A single applicant is able to submit up to three (3) project requests for Community Arts, Arts Education grants and Individual Artist categories. The maximum total request amount cannot exceed \$5,000.

Sponsored applications are exempt from the three-request limit; however any artist also applying for an Individual Artist Grant cannot request more than \$2,500 in Community Arts and/or Arts Education grants.

Must I attend an informational workshop?

Attending an informational workshop is required for all first-time applicants and highly encouraged for previous grantees. In lieu of attending a workshop, an applicant may meet face-to-face or via Skype with the DEC coordinator. The purpose is to give a personalized overview of the DEC program and to familiarize the applicant with the grant guidelines. It also gives applicants the opportunity to consult with the DEC coordinator on the specifics of their projects and to get feedback before applying.

Grant Review Process

Applications are reviewed for eligibility, completeness, and accuracy by FLCAG staff. It is your responsibility to submit a complete and accurate application. As part of the review process, FLCAG staff may contact you by telephone or e-mail to clarify and review information.

A panel of artists, arts administrators, educators, community leaders, and business people coordinated by FLCAG will then evaluate each application and recommend a level of funding based on the evaluation criteria, the funding priorities, and the grant guidelines. Upon request, panelists will be furnished with final and interim reports as well as audit information, prior panel comments, and correspondence when considering organizations/individuals who have applied or have been funded in prior years. The panel's recommendations are submitted to and reviewed by NYSCA, which has the final authority for all decisions.

Panel Criteria

Awards are based on a **competitive** review process. Due to the strict guidelines, limited funds, and the competitive nature of the process, **not all applicants will receive funding**. Each application is reviewed on the basis of its own merits and against others in the application pool. The panel will make funding recommendations based primarily on the following criteria:

- Artistic merit including artistic and program quality and the expertise of the artists.
- Community demonstration of interest, support and benefit - without duplicating existing programs. Seek to serve a broad constituency.
- Adherence to application guidelines, with clarity and completeness.
- Feasibility - clearly defined project objectives, project implementation and management:
 - Demonstrated ability of personnel to administer project
 - Reasonable project budget
 - Potential effectiveness of proposed promotional efforts throughout the community
 - Applicant's history with program success and contract compliance.

Funding Priorities

- Projects that reflect the cultural traditions or contemporary creative expressions of a particular ethnic group

Low Priority Projects

- Previously funded projects that do not exhibit further growth, artistic expansion, community support, and/or community need
- Projects that duplicate already existing and successful projects

Award Notification

FLCAG notifies all applicants by e-mail regarding the status of their application after panel review. This will occur in ~~mid~~ late November.

Grant checks are issued after a review of the panel comments with FLCAG staff and receipt of the signed contract and all other requested information.

Appeals Process

In the event that your program is not funded, or funded partially, the below guidelines are set in place to ensure a fair and equal opportunity to all applicants.

Applicants should first consult with the DEC Coordinator to review the considerations that went into the panel decision. If, after consultation, the applicant wishes to pursue an appeal, the applicant must do so in writing with all the material supporting the appeal, addressed to Executive Director, Auburn Public Theater. The Executive Director must receive the written appeal within fifteen (15) calendar days from the issue date of the denial letter. The applicant will receive a written response and the appeal will be assigned to a different panel who will meet to examine the grounds of the appeal. The new panel will provide a recommendation to the Auburn Public Theater's board for final approval.

THE ONLY GROUNDS FOR APPEAL ARE:

1. Non-presentation of application information by staff or panelist.
2. Misrepresentation of application information by staff or panelist.
3. Improper procedure by staff or panelist.

NOTE: DISSATISFACTION WITH THE AMOUNT OF SUPPORT OR A RECOMMENDATION OF "NO FUNDING" CANNOT BE USED AS A BASIS FOR AN APPEAL.

Responsibilities of Grant Recipients

All awarded organizations must sign and return a contract, which outlines all agreements with regard to fulfilling obligations and the procedures for providing the following materials:

- A Final Program Report
- Notification of your event(s) at least two weeks in advance with two complimentary tickets, if applicable. Projects may be audited by FLCAG staff, panelists, or other appointed persons.
